Bath Salts – Detox / Muscle Therapy / Soothing / Stress Relief

Saltwood bath salts are inspired by the healing power of nature. Each blend is carefully crafted with pure sea salts and essential oils to help your body relax, release toxins, and restore balance. From calming lavender for stress relief to invigorating eucalyptus for tired muscles, our salts turn any bath into a luxurious spa experience, helping you reclaim peace and energy after a long day.

BATH BOMBS

Infused with love and natural ingredients, Saltwood bath bombs transform your bath into a sensory escape. Watch them fizz, release soothing scents, and infuse your skin with nourishing oils. Each bomb is handcrafted to create moments of joy, calm, and indulgence—making your self-care ritual a mini celebration of wellness.

BODY SCRUBS

Saltwood body scrubs are nature's answer to soft, radiant skin. We blend natural exfoliants like sugar, coffee, and sea salts with rich oils to gently remove dead skin while deeply moisturizing. Each scrub carries a story of awakening your senses, energizing your mornings, and pampering your body with a touch of indulgence that feels like a spa day at home.

BODY LOTIONS (WHIPPED) – SHEA & VANILLA / COCOA BUTTER / JOJOBA & ARGAN

Our whipped body lotions are silky, lightweight, and deeply nourishing. Saltwood blends luxurious butters and oils to create a lotion that melts into your skin, leaving it soft, hydrated, and subtly scented. Inspired by the natural rhythms of your body, these lotions make everyday self-care feel like a gentle hug for your skin.

LIP BALMS – PEPPERMINT / HONEY & VANILLA / COCOA BUTTER

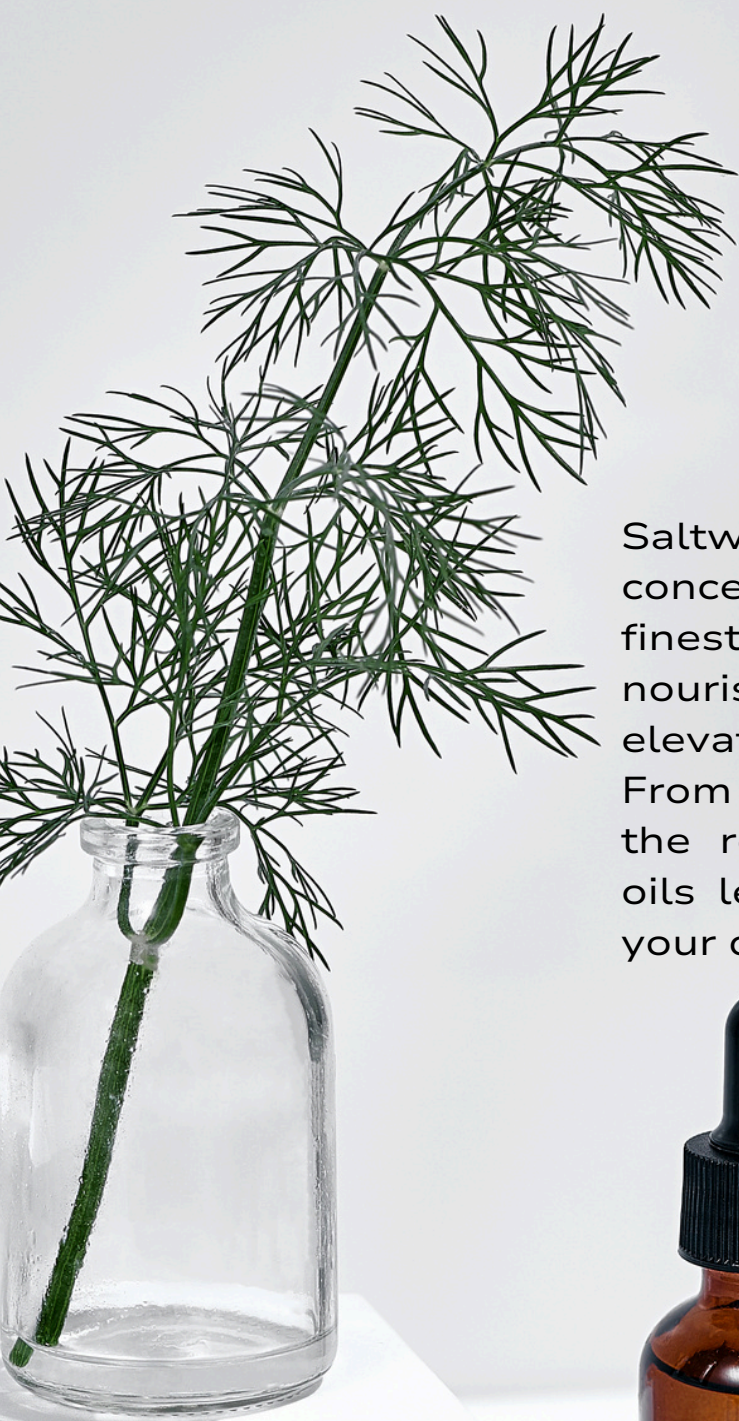

“Saltwood lip balms are small wonders of natural hydration. Each balm combines soothing ingredients like cocoa butter, honey, and essential oils to protect and nourish lips. They are crafted to carry the perfect hint of flavor and care, so every smile feels smooth, soft, and naturally radiant.
